

MATERIAL SAFETY DATA SHEET

EC MODE Scalp Therapy ReVITALizer

**Malibu Wellness
1550 S. Franklin Road
Indianapolis, IN 46239 (317) 375-3165**

Revision Date: 05/08/2007

SECTION 1: PRODUCT DATA

Product Name: Scalp Therapy ReVitalizer
Product Class: Acid
Formula: Proprietary formula: an aqueous gel containing natural acids, natural gums, sequesterants, and preservatives. Proprietary mixture containing fruit acids and their salts, herbal extracts, EDTA and provitamin B5. Food grade ingredients.

SECTION 2: FIRE AND EXPLOSION DATA

DOT Category: food grade acid
Special Fire Fighting Procedures: non-flammable
Extinguishing Media:N/A
Flash Point: N/A
Unusual Fire and Explosion Hazards: none
DOT Category: consumer product
Special Fire Fighting Procedures: none
Extinguishing Media:water or carbon dioxide
Flash Point: N/A
Unusual Fire and Explosion Hazards: none

SECTION 3: HAZARDOUS INGREDIENTS

Contains diazolidinyl urea, methylparaben and propylparaben as preservatives.

MATERIAL SAFETY DATA SHEET

SECTION 4: PHYSICAL DATA

Boiling Point: >water
Vapor Pressure: >water
Vapor Density: not determined
Solubility in Water: soluble
Appearance and Odor: milky white gel - acidic
Specific Gravity: N/A
Percent Volatile by Volume: N/A
Is Material: Liquid Solid **Gel** Powder Lotion
PH: N/A
Percent Solid by Weight: N/A
Physical State of Product at Room Temperature: N/A
Boiling Point: N/A
Vapor Pressure: N/A
Vapor Density: N/A
Solubility in Water: soluble
Appearance and Odor: white crystalline powder
Specific Gravity: N/A
Percent Volatile by Volume: N/A
Is Material: Liquid **Solid** Gel Powder Lotion
PH: 6 when reconstituted
Percent Solid by Weight: 100
Physical State of Product at Room Temperature: N/A

SECTION 5: HEALTH HAZARD DATA

Effects of Overexposure: Some people may experience minor skin irritation if the product is left on the skin for long periods of time. The irritation will be surface oriented and should have no long term effects.

Threshold Limit Value: not determined

Emergency and First Aid Procedures:

EYES: If spattered into eyes, wash with plenty of water lifting eyelids to insure that all product has been rinsed out. If irritation develops, see physician immediately.

INGESTION: The ingestion of a small amount of substance is harmless.

Effects of Overexposure: Avoid spattering into eyes

Threshold Limit Value: N/A

Emergency and First Aid Procedures:

EYES: If spattered into eyes, wash with copious amounts of water. If irritation develops, see physician immediately. Any irritation should be minor.

INGESTION: The ingestion of a small amount of substance is harmless.

MATERIAL SAFETY DATA SHEET

SECTION 6: REACTIVITY DATA

Stability: Gel is oxygen sensitive. Reacts vigorously with strong alkalis: depending on type of alkali, some gas may be evolved.
Hazardous Polymerization: none

Stability: Stable while in a sealed container
Hazardous Polymerization: N/A

SECTION 7: SPILL OR LEAK PROCEDURES

Small Spills: wash or wipe away with water
Large Spills: collect on absorbing material and dispose into normal waste elimination outlet.

Small Spills: All components are harmless to the environment and can be cleaned up and disposed of by regular waste handling procedures.
Large Spills: Same as small spills.

SECTION 8: SPECIAL PRECAUTIONS

Handling Storage: keep in cool place
Other Precautions: none

Handling Storage: Store under dry conditions
Other Precautions: none

SECTION 9: SPECIAL PROTECTION INFORMATION

Respiratory Protection: none
Ventilation: none
Other Precautions: none

Respiratory Protection: None needed for regular use
Ventilation: N/A
Other Precautions: Rinse fabrics well after use. Do not store reconstituted mixture in metal containers.

**These data are offered in good faith as typical values and not as a product specification. No warranty, either expressed or implied, is hereby made. The recommended industrial hygiene and safe handling procedures are believed to be generally acceptable. However, each user should review these recommendations in specific context of the intended use and determine whether they are appropriate.
